Poetry

Recount

Persuasive writing

## Science

**Overarching question:** What are states of matter?

Lines of enquiry:

What is the difference between solids, liquids and gases?

How can we compare and group solids, liquids and gases?

What happens to water when there is a change of temperature?

What does a thermometer and stopwatch measure?

How does the temperature of the water affect the time it takes for ice to melt?

Does the temperature of air affect the time it takes for water to evaporate?

## Geography

**Overarching question:** What do we know about our European neighbours?

Lines of enquiry: What map skills do I have?  
What can I read on a map?

Who are our European neighbours?  
Where in the world is Italy?  
What are the physical features of Italy?  
Where is Naples and what makes it special?  
Why do people settle in Campagna?  
Would you like to visit Naples?

## Maths

Number and Place Value

Addition and Subtraction

Multiplication and Division

Fractions and Decimals

Time

Properties of Shape

## P.E.

Netball, Hockey,

Gymnastics, OAA

## P.S.H.E.

Being in my World

Celebrating  
Difference

## Computing

Systems and networks:  
collaborative learning

Coding with Scratch

## Year 4

## Autumn Term 2025

## D.T.

How are  
pizzas made?

Trip: Pizza  
Express!

## Art

How do lines  
and shapes  
support  
landscape  
drawings?

## Music

Mama Mia

Glockenspiel

## History

**Overarching question:** What were the causes and effects of WW1 and how did animals help?

Lines of enquiry: When was WW1?

Why did WW1 break out in 1914?

What was life like on the Western Front?

What role did animals play in WW1?

What was life like on the Home Front?

When did WW1 end and how do we remember this day?

What are the lasting effects of WW1?

Trip: Metheringham Airfield and East Kirkby Airfield

## French
