Telephone/Fax: (01522) 681919  
Headteacher: Mr John Richardson BSc (Hons) P.G.C.E.

24<sup>th</sup> November 2025

Dear Parents,

I am writing to update you regarding two matters relating to the school.

Firstly, I would like to thank you for your patience during the building of the new classroom. Now that the classroom is complete and Year 5 have taken up residence, I am sure you will agree that this was worth it. It is a fantastic space for our children to learn and will benefit our school for many years to come. I would also like to publicly thank the children for their patience with the building project; as always they have demonstrated our school values and shown interest in what has been taking place.

Whilst the building was taking place it did lead to an increase in traffic by the school, and this leads me to the second matter I wish to bring to your attention. The governing body have been made aware that there are a number of parents/carers who are driving down Wath Lane to drop off and/or pick up their child/children. Various members of the governing body, including myself, have monitored this in recent weeks, and some of the governors have also met with a local councillor regarding this matter.

I would respectfully ask you to not drive down Wath Lane as we are concerned by the number of cars down the lane when children, and their parents, are walking, cycling or scooting to school, especially with some of our older children who may be doing so on their own. The speed of some of the vehicles is a concern, as is the way in which they are parked or waiting, with the latter on occasion causing difficulties for residents accessing Wath Lane. As a working parent myself, I appreciate that parents will be heading to work or returning from work and that these times of day are very busy for many of us, however, there is ample parking on Meadow Lane, as well as the Cemetery on Mill Lane.

Thank you for your support with this matter.

Yours faithfully,

Mrs Joanne Godwin  
Chair of Governors
