Monday 10th February 2025

Dear Parent,

I am writing to you regarding the mobile classroom replacement project. This is, as you are aware, due to start on Monday 17th February. Over the half term the building site will begin to be established. This will take up a substantial area on the school field and there will be no access to the school building from around the hall. All access and egress will be via the hall double door onto the playground, the main entrance and the Victorian Classroom fire exit.

The following arrangements will be in place from 24th February.

Access to school in the morning:

Year 1 / 2, Year 3 and Year 4 will enter the school via the double door to the hall from the playground at 8.50.

Reception / Year 1 and Year 6 will enter the school via the main entrance.

Year 5 will continue to enter school via the Victorian Classroom fire exit.

Egress from school at the end of the school day:

Year 4 will exit from the double door from the hall to the playground.

Year 5 will exit from the Victorian Classroom fire exit.

All other classes will exit via the main entrance to school.

Pandas:

Drop off at and pick up from Pandas will be via the double doors from the hall to the playground.

Parking:

Whilst the project is taking place, parking for staff cars will be significantly impacted due to the building site entrance needing to be accessible at all times. As a result some staff cars will need to park on Meadow Lane. Please accept my apologies in advance for the reduction in capacity that this will potentially cause.

Whilst this project will cause short term disruption, it will be of huge benefit to our school in the long term. If you have any questions about these arrangements, please let me know.

Yours sincerely,

John Richardson
Headteacher
