Statement of intent

At South Hykeham Community Primary School we believe that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The school is committed to:

1. Ensuring equality and fair treatment for all.
2. Promoting a culture of praise and encouragement in which all children can achieve through praising and rewarding good choices and taking responsibility for one's own behaviour.
3. Developing positive relationships with children to enable early intervention.
4. Promoting self-esteem, self-discipline, proper regard for authority and positive relationships based on mutual respect.
5. Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
6. Teaching children how to behave including regulating emotions.
7. Encouraging positive relationships with parents.
8. A shared approach which involves children in the implementation of the school's policy and associated procedures.
9. Challenging and disciplining misbehaviour.

Reasonable and proportionate sanctions will be used where a pupil's behaviour falls below the standard that is expected, alongside support to prevent recurring misbehaviour.

The school acknowledges that behaviour can sometimes be the result of educational needs, mental health issues, adverse childhood experiences, including abuse and neglect or other needs or vulnerabilities. Whilst adaptations to the behaviour policy can and will be made, it is still imperative that children learn that there are consequences for their actions and ensuring a safe environment for all children and staff is critical.

The primary aim of the behaviour and relationships policy is not a system to enforce rules. It is a means of promoting good relationships, so that people can work together with the common purpose of helping everyone to learn and demonstrate and enjoy our school values.

5. Rewards, Awards and Celebrations

5.1 At South Hykeham Community Primary School, we praise and award positive learning attitudes and examples of pupils upholding our school values and code of conduct.

5.2 At South Hykeham Community Primary School, we pride ourselves on developing and maintaining positive relationships with every child, this lends itself to a very positive, connected and conducive learning atmosphere. Things we may do to support and maintain positive relationships are:

- Greet children at the start of each day as they enter the school
- Model appropriate behaviour, including good manners
- 'Catch children being good' and offer praise, making it clear what the praise is for so that other children can learn from it
- Use shared terminology
- Use positive language to reinforce behaviour (please walk, rather than don't run. Please use your indoor voice, rather than don't shout)

Positive body language and expressions

Use of class dojo points

Merit awards presented in assembly each Friday to a child in each class that has worked hard or demonstrated excellent behaviour and attitudes.

A lunchtime award presented at Friday assembly.

6. Teaching Good Behaviour

6.1 At South Hykeham Community Primary School we are committed to teaching children how to behave well. We will make our expectations explicit to children by modelling appropriate behaviour, including good manners and explicitly teaching what we expect. Section 3.1 outlines examples of what we consider to be good behaviour and these will be referred to withing the formal and informal curriculum.

6.2 Every new term (3 times yearly) we will start with a behaviour focus where we explicitly share with children the expectations. This will be through whole school assemblies, an

intense focus by all staff to praise, reward and correct behaviour in all areas, at all times so we 'set the standard' for the term.

6.3 We explicitly teach the behaviour expected at different key points in the school day including:

7. Managing Behaviour

7.1 At South Hykeham Community Primary School we recognise that there can be a number of different causes of behaviour. This may be a result of an unmet need or emotional trauma, but this is not always the case. Sometimes children make poor behaviour choices.

7.2 On occasions when a child has behaved inappropriately, whatever the reason, it is important that children learn there are consequences to the choices they make. This is preparing them for their future responsibilities.

7.3 Where a child has made a poor behaviour choice and there is no unmet need, emotional trauma or dysregulation, staff will use strategies from stage 1 (see appendix)

7.3 At South Hykeham Community Primary School we are committed to supporting the social and emotional development of every child. We have adopted the Zones of Regulation Approach to support our children.

7.4 It is important that as key adults in children's lives we have the ability to remain regulated so that we can enable consistent emotional support to our children. It is important to recognise when we should ask for help.

7.5 It is important to separate out the behaviour the child uses from the child themselves. We will let the child know their behaviour is not okay and why it is not okay and how we are going to support them.

8. Logical Consequences and Sanctions

8.1 We use logical consequence at South Hykeham Community Primary School A logical consequence, is one that is appropriate and proportionate to the behaviour displayed. It must also be related to the child's point in development.

8.2 We do not use whole class consequences, nor public shaming (e.g. name on board) as these strategies breed resentment and are ineffective.

8.3 Where a child has behaved inappropriately to another person the child needs to be taught/supported to reconnect with that person (not necessarily immediately) to repair the situation.

8.4 Logical Consequences Guidance: (This is guidance and suggestions only)

<u>Low level unacceptable behaviour pathway</u>	<u>Consequence</u>
Talking when others are speaking	A polite reminder will be given, followed by a more stern reminder. If the behaviour continues
Swinging on chairs	
Fidgeting	
Lack of equipment	

Inappropriate body language i.e. not keeping hands to oneself	then the child will be asked to move to a place in the classroom on their own or to a safe place outside the classroom in order to reflect.
Minor breach of the banned items list i.e. bringing chewing gum into school unintentionally	
Minor breach of the acceptable use policy i.e. attempting an unacceptable Google search	
Rudeness and not using manners	A polite reminder will be given, followed by a more stern reminder. If the behaviour continues then the child will miss five minutes of break, standing with an adult on duty.
Telling lies	
Use of mobile phones or other devices	
Graffiti	
Running around the classroom or school	A polite reminder will be given, followed by a more stern reminder. If the behaviour continues then the child will miss ten minutes of break, standing with an adult on duty or inside to complete homework. If inappropriate behaviour continues in class, the child will be sent to a partner class for 15 minutes before returning to continue their learning.
Refusing to complete homework, incomplete homework, not bringing homework	
Not following classroom rules	

NB.' Unacceptable behaviour' may be escalated to 'Serious unacceptable behaviour' depending on the behaviour breach. Should a child display the same behaviour three times within one academic year then the consequence will be escalated on the third time to the 'Serious unacceptable behaviour pathway'.

<u>Serious unacceptable behaviour pathway</u>	<u>Consequence</u>
Discrimination linked to age, disability, gender, identity, marriage, civil partnership, pregnancy and maternity, race, religion, belief, sex and sexual orientation	The head teacher will become involved and parents will be informed. This will result in a detention where the child will eat away from their peers. This could progress onto additional consequences dependent on each individual situation.
Harassment	
Bullying	
Cyberbullying	
Verbal abuse i.e. swearing, racist or homophobic remarks	
Possession of legal or illegal drugs, alcohol, tobacco, vapes or other banned items	

Theft	
Fighting	The child will be put into a lunchtime detention where they will eat away from their peers. Should this consequence be necessary during an afternoon session then the detention will be completed the next lunchtime.
Any behaviour which requires the immediate attention of another member of staff	
Attempting to abscond from the school grounds	
Threatening actions or language towards other children or staff	
Shouting in class	
Persistent disobedience or disruptive behaviour	The child will be put immediately into an internal exclusion where they will complete learning (for the equivalent of one school day) in a room away from their peers. Parents will be informed by the class teacher. The school will make a judgement about the child attending upcoming school trips or events where they are representing the school and whether this privilege may be removed following this level of consequence. The most extreme cases of behaviour may result in the child being given a fixed term suspension or ultimately a permanent exclusion.
Extreme behaviour i.e. violence or serious vandalism	
Any behaviour which threatens safety or presents a serious danger	
Serious breach of the acceptable use policy i.e. sharing with other children inappropriate material	
Verbal or physical aggression towards others	
Any behaviours that seriously inhibits the learning of others	
Throwing items at a person or in the classroom or on the playground	

NB. Following a fixed term suspension, a meeting will be arranged between home and the school to put the child on a Pastoral Support Plan in order to start a process where supportive measures are put in place to try and stop further fixed term suspensions. This will form part of the Re-integration meeting on the first day back for the child.

9. Positive Handling

9.1 There may be times when we are not successful in regulation of a child using strategies already outlined above. Physical intervention maybe required to support the child to regulate and ensure the child and/or others are safe.

- Always make sure the positive handling takes place in a safe space.
- Ensure Zones of Regulation have been used to understand the behaviour.
- Use change of face- don't be afraid to say I am not the right person to do this, e.g. if the child is very upset with you.
- Make sure techniques taught in Team Teach are used.
- Ensure the positive handling is timed to assist with recording.
- Complete the positive handling log.

- Once the positive handling log has been completed this must be signed off by the headteacher
- The positive handling book will be regularly checked and signed by a senior member of staff.
- Where a child needs positively handling used regularly- this will be outline in the child's support plan and parents will give consent.
- Incidents of positive handling will be shared with parents either by phone or at the end of the day.

10. Recording of Behaviour Incidents

10.1 At South Hykeham Community Primary School staff record minor behaviour incidents in CPoms. These will be reviewed regularly by the headteacher. Where a number of minor incidents become a pattern this may be an indicator of a safeguarding need. There is an appendix covering what should be recorded on CPOMs and what needs to be reported to parents.

10.2 Where a child is struggling with their behaviour, they may have a separate log recording in greater detail triggers etc. so that patterns of behaviour can be identified and acted upon.

1.3 Where positive handling has been used, a more detailed record is made (See 9. Section Positive Handling) and this will be recorded on CPOMS.

11. Smoking and drug policy

11.1 In accordance with part 1 of the Health Act 2006, our school is a smoke free environment. This includes all buildings, out-buildings, playgrounds, playing fields and sheltered areas.

11.2 Parents, visitors and staff must not smoke (or vape) on school grounds and should avoid smoking in front of our pupils.

11.3 Pupils are not permitted to bring smoking materials or nicotine products to school. This includes, but is not limited to, cigarettes, e-cigarettes, vapes, lighters, matches or pipes.

11.4 In the interest of health and hygiene, we request that people refrain from smoking outside the school gates.

12.7 Depending on the nature of the banned item, the actions of the child with the item and the circumstances bringing a banned item to school may be 'low level' or a 'serious unacceptable behaviour'.

13. Suspension and Exclusion

13.1 Amongst other disciplinary sanctions, the school recognises that suspension and exclusion of pupils may be necessary where there has been a serious breach, or consistent breaches, of the school's Behaviour Policy. Suspending or excluding a pupil may also be required in instances where allowing the pupil to remain in school would be damaging to the education and welfare of themselves or others; in all cases, suspending or excluding pupils should only be used as a means of last resort.

13.3 For further information on suspension and Exclusion, please see the Suspension and Exclusion Policy.

14. Searching

14.1 Headteachers and staff they authorise have a statutory power to search a pupil or their possessions where they have reasonable grounds to suspect that the pupil may have an item listed under the items banned from school premises.

14.2 Staff members may use common law to search pupils, WITH their consent, for any item, including their pockets and backpacks.

14.3 Headteachers and staff authorised by them have a statutory power to search pupils or their possessions, WITHOUT consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item.

14.4 At South Hykeham Community Primary School, it is a condition of pupils having tray and locker, that the pupil and parents consent to have these searched for any item whether or not the pupil is present.

14.5 Under [part 2, section 2 of the Education Act 2011](#), teachers are authorised by the Headteacher/Senior Teacher, to search for any prohibited item including, but not limited to, tobacco and cigarette papers, illegal drugs, and alcohol, without the consent of the pupil, provided that they have reasonable grounds for suspecting that the pupil is in possession of a prohibited item.

14.6 Staff members may instruct a pupil to remove outer clothing, including hats, scarves, boots and coats and turn out their pockets.

14.7 A pupil's possessions will only be searched in the presence of the pupil and another member of staff, unless there is a risk that serious harm will be caused to any person(s) if the search is not done immediately, and it is not practicable to summon another member of staff.

14.8 Staff members may use reasonable force, given the circumstances, when conducting a search for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm. Such force cannot be used to search for items banned under the school rules. Any staff member may refuse to conduct a search.

14.9 Being in possession of a prohibited item – especially knives, weapons, illegal drugs or stolen items – may mean that the pupil is involved, or at risk of being involved, in anti social or criminal behaviour including gang involvement, and in some cases may be involved in child criminal exploitation. The designated safeguarding lead (or deputy) should be informed of any searching incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item and they should consider if a referral to children's services is required.

14.10 Any search by a member of staff for any prohibited item and all searches conducted by police officers should be recorded on CPOMs, including whether or not an item is found.

15 Confiscation

15.1 A staff member carrying out a search can confiscate anything they have reasonable grounds to suspect is a prohibited item.

15.2 If the pupil has possession of illegal items, the police will be called for the removal of the item(s).

15.3 Parents will be informed of any confiscated item and may be required to collect the item (unless the item relates to alcohol, illegal drugs or tobacco), from the school office.

16 Electronic Devices

16.1 . Electronic devices, including mobile phones, can contain files or data which relate to an offence, or which may cause harm to another person. This includes, but is not limited to, indecent images of children, pornography, abusive messages, images or videos, or evidence relating to suspected criminal behaviour.

16.2 . As with all prohibited items, staff should first consider the appropriate safeguarding response if they find images, data or files on an electronic device that they reasonably suspect are likely to put a person at risk.

16.3. Staff may examine any data or files on an electronic device they have confiscated as a result of a search, if there is good reason to do so.

17. Outside school and the wider community

17.1 Pupils at the school must agree to represent the school in a positive manner both inside school and out in the wider community, particularly if the pupil is dressed in school uniform.

17.2 Staff can discipline pupils for misbehaviour outside of the school premises, including conduct online, when the pupil is:

- Wearing school uniform.
- Travelling to or from school.
- Taking part in any school-related activity.
- In any way identifiable as being a pupil at the school.

17.3 Staff may also discipline pupils for misbehaviour outside the school premises, including conduct online, that:

- Could negatively affect the reputation of the school.
- Could pose a threat to another pupil, a member of staff at the school, or a member of the public.
- Could have repercussions for the orderly running of the school

17.4 Any bullying witnessed outside of the school premises and reported to the school will be dealt with in accordance with the Anti-bullying Policy.

17.5 The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed or reported outside of the school premises as would be imposed for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

17.6 Complaints from members of the public about bad behaviour by pupils at the school, are taken very seriously and will be dealt with in accordance with the Complaints Policy.

18. Monitoring and review

18.1 This policy will be reviewed by the headteacher and governing body on a bi-annual basis, who will make any necessary changes and communicate this to all members of staff.
